

A baby with blue eyes and a white long-sleeved shirt is lying in the center of a large pile of various teddy bears. The bears are in shades of brown, tan, and white. The baby is looking up and smiling, with their hands near their mouth. The text "COME PLAY WITH US!" is overlaid in white, bold, sans-serif font across the middle of the image.

A teddybear to grow up with

The classic teddybear Pontus has soft curly fur and is available in two sizes and colors. He never goes out of style and his friendly face is easy to fall in love with. Roger is a cool and confident teddybear with a preppy bow around his neck and a slightly mischievous fur that is nice to hold. Each unique with their own personality ready to find a matching best friend for life.

Soft fur, comfort & friendship

Growing up with a teddy bear is more than just a childhood tradition; it's a source of comfort, companionship, and valuable life lessons. The importance of having a teddy bear during one's formative years extends beyond the soft fur and cuddly exterior.

Ecofriends

We care about the future of our children and our planet, and we know that together, we can make a difference. Sven is made from Oeko-Tex certified material, and the stuffing is derived from recycled PET bottles. These material choices and manufacturing methods are important for a more environmentally friendly approach.

★ The Ecofriends teddies material is made with Oeko-tex certified material

★ They are filled with stuffing made from recycled PET-bottles

★ Ecofriends consists of both teddybears and bunnies in various sizes

Sweet like sugar

Just like a teddybear a plush bunny often carry sentimental value. They become a repository of sweet memories, representing the moments they were given and the emotions associated with them. Over time, a plush bunny transforms from a simple stuffed animal into a cherished keepsake. Like time spent baking cookies with grandma or having your first sleepover.
